Your Excellency,

I would like to refer to the discussions that we had at the sideline of the United Nations General Assembly on 27th September 2008 in New York. I appreciate the opportunity that we had to exchange views on issues of mutual interest including developments in Kosovo.

I have the honour to convey to Your Excellency and through you to the Government of the Republic of Kosovo that the Government of Malaysia recognizes the independence of the Republic of Kosovo.

I would like to take this opportunity to extend my sincere good wishes to Your Excellency and the Government of Kosovo in all your future endeavours.

Accept, Excellency my highest consideration:
